

The 15th Anniversary Alumni Lunch Gathering

The 15th Anniversary Alumni Lunch Gathering of HKBUK took place on 15 November 2015 at Club One. Former and current staff, alumni, students, and parents had a great time sharing fond memories and stories of their days at HKBUK. It was a heart-warming and enjoyable event for us all.

Shortly after registration began, 200 respondents promptly applied and we ended up having 28 tables. As the first alumni gathering co-organized by the kindergarten, parents, and former students, this turn out rate is very encouraging.

Throughout the past 15 years, parents have trusted us and believed in our educational vision, and it is with their support that our school spirit can live on. What an honour it is for us to journey with parents and witness their children's growth through primary, secondary, and even tertiary education. Thank you for allowing us to be your partner and friend. You are our pride.

Lastly, a word of thanks to the organizing committee for the time and effort you have dedicated to making this event a success. We wish you all the best.
